Roussel Smith Named Fire Chief

BELMONT — Roussel Smith, member of the Belmont Fire Department for 16 years and captain under Chief John Marston, was appointed this week to succeed Marston Oct. 1 when Marston becomes fire chief at Stanford University. The appointment was made by the fire commission this week after a delegation of taxpayers unsuccessfully sought to have the captaincy eliminated.

The department includes only two paid men, the chief and the captain, the others being volunteers.

Smith's position of captain will be filled by Bernard Barri, member of the department for 10 years.

Thomas N. Canning Wins Stanford Honors

STANFORD UNIVERSITY — Thomas Norman Canning, of Redwood City, was one of 61 Stanford University students awarded lower division honors this week, the chairman on scholarship announced.

Such honors go to the highest 10 per cent of the freshmen and sophomore classes.

Photographer Praises Police for Efficiency

Charles F. Murray, Redwood City photographer, this week praised Redwood City police for their efficiency in recovering his automobile, stolen from a parking lot near the S. P. Depot. Murray reported the car stolen at 10:30 p.m., he said, and before he had finished his report the radio bulletin was on the air. Within three minutes Murray heard the broadcast repeated in Alameda County. At 11:15 p.m. police recovered the car, undamaged, on Eaton Ave. in Redwood City.

Odell Takes Stand In Court Here

Robert S. Odell, president of Pacific States Savings & Loan Co. and former resident of Atherton, took the stand in superior court at Redwood City this week in the $300,000 action brought against him and others by minority stockholders for recovery of allegedly illegal profits and commissions.

The hearing before Judge Maurice T. Dooling continued on the special defense issue that the alleged illegal acts were subsequently approved by stockholders.

Odell was called to the stand by the plaintiffs to identify certain documents.

Desserts Easy With Honey Maids

DESSERTS MADE EASY WITH HONEY MAIDS

Even with war-time restrictions hitting our sugar bowl, it is still easy to give the family mouth-watering "party-fare" desserts every day. The secret? Just keep a box of Honey Maid Graham Crackers always handy.

With their delightful honey-sweet flavor, Honey Maids are a "natural" in a number of tasty combinations which will "keep 'em happy"—and incidentally add a few more feathers to your war bonnet.

No mess from sifted flour, no drying of bread and grinding crumbs . . . just roll out the crackers and you're ready to start a sumptuous cottage pudding . . .

GRAHAM COTTAGE PUDDING WITH RASPBERRY HARD SAUCE

¼ cup shortening
½ cup sugar
1 egg
¼ teaspoon lemon extract
18 Nabisco Honey Maid Graham Crackers, rolled fine
1½ teaspoons baking powder
⅔ cup milk.

Cream shortening, add sugar gradually and beat until light and fluffy. Add egg and lemon extract and beat well. Combine Graham Cracker crumbs and baking powder, add to creamed mixture alternately with milk. Pour into greased loaf pan. Bake in moderate oven (375°F.) for 45 minutes. Serve with following hard sauce.

RASPBERRY SAUCE

⅓ cup butter
1 cup confectioners sugar
1 cup fresh raspberries

Cream butter, add sugar gradually, beating after each addition. Rub berries through sieve. Add berry juice and pulp 1 tablespoon at a time to the butter-sugar mixture, beating well after each addition. Yield: 1¼ cups sauce.

Try these Jelly Tea Tarts the next time you have a neighborhood meeting . . . good, too, for taking that "after-school" edge from hunger. . . .

JELLY TEA TARTS

9 Honey Maid Graham Crackers rolled fine
1 tablespoon sugar
4 tablespoons softened butter

Mix thoroughly Honey Maid Graham Crackers, sugar and butter. Press mixture firmly against sides and bottom of well-buttered small muffin pans, making a slight depression in the center of each tart. Bake in hot oven (400°F.) 10 minutes. Cool and chill until ready to serve. Gently loosen sides of tart before removing from pan. Fill with spoonful of tart jelly or custard filling. Make 9 tarts.

Those of us fortunate enough to be able to get blueberries will love

BLUEBERRY GRAHAM DESSERT WITH BLUEBERRY SAUCE

20 Nabisco Honey Maid Graham Crackers
2 teaspoons baking powder
2 tablespoons sugar
¼ cup shortening
⅓ cup milk
½ cup blueberries

Combine Graham Crackers, baking powder and sugar. Cut in shortening. Add milk gradually, stirring until soft dough is formed. Turn out on slightly floured board. Roll ½ inch thick and cut out 6 biscuits, with a 2-inch floured biscuit cutter. Place on a greased baking sheet. Remove a teaspoon of dough from the center of each biscuit, leaving the bottom intact. Place a mound of blueberries in each hole. Bake in a hot oven (425°F.) for 15 minutes. Serve hot with blueberry sauce. Yield: 6 desserts.

BLUEBERRY SAUCE

½ cup sugar
2 teaspoons cornstarch
⅛ teaspoon salt
½ cup water
1½ cups blueberries
1 lemon rind, grated
⅛ teaspoon cloves

Mix together sugar, cornstarch, and salt. Stir into water slowly. Bring to a boil, stirring constantly. Add blueberries and simmer for 5 minutes. Add lemon rind and cloves. Serve hot.

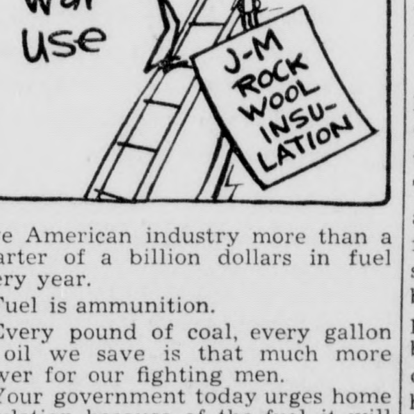
84 YEARS OF SERVICE TO HOMES AND INDUSTRY
Johns-Manville Journal
JOHNS-MANVILLE PRODUCTS

Insulation Helps the Nation

At first thought, you may not see how the insulation in the walls of a home . . . your home, perhaps . . . may help win the war.



But it is estimated that the half million American home owners who have protected their homes with Johns-Manville Rock Wool Home Insulation will, this coming winter, save over a million tons of coal, or its oil equivalent.

And when you consider that a coal car holds from 45 to 50 tons of coal, and you figure how many cars this coal saving will release for war transportation, you will see one way in which fuel saving contributes to the war effort.

The importance of oil conservation now is even more obvious to everyone.

It is estimated that fuel savings in a Johns-Manville insulated house run up to 30 percent of ordinary fuel consumption.

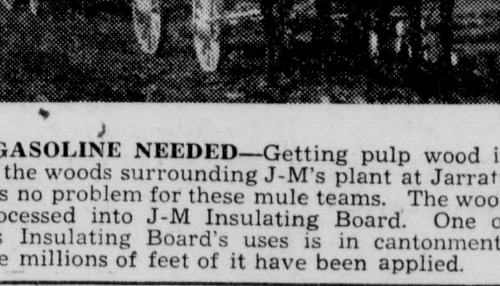
Other Johns-Manville insulations save American industry more than a quarter of a billion dollars in fuel every year.

Fuel is ammunition.

Every pound of coal, every gallon of oil we save is that much more power for our fighting men.

Your government today urges home insulation because of the fuel it will save for victory.

J-M FAMILY ALBUM



NO GASOLINE NEEDED—Getting pulp wood in from the woods surrounding J-M's plant at Jarratt, Va., is no problem for these mule teams. The wood is processed into J-M Insulating Board. One of J-M's Insulating Board's uses is in cantonments where millions of feet of it have been applied.

Income Tax Savings Plan

Johns-Manville is now establishing an income tax savings plan to aid jobholders in adjusting their budgets to meet the higher income taxes. Under this plan employees may ask the company to set aside a certain portion of their earnings each payday. The sums accumulated will be returned to jobholders in ample time to help them pay their next year's income tax bill.

AIDS WAR EFFORT

One of the most important developments made by Johns-Manville is water pipe made of asbestos and cement—called Transite pipe. Today J-M has three large factories producing this efficient, non-metallic water carrier.

The contribution this product is making is indicated by a recent factory report. It says, "Our Transite pipe factories are working 100 per cent for war and the iron and steel conserved annually by this asbestos-cement product is sufficient to build 4,000 medium tanks or 67 destroyers." The history of this product is typical of American invention under our system of free enterprise. Perfected in peacetime it is now playing an indispensable part in our war program.

In water supply and sewage disposal systems Transite pipe finds use from coast to coast in Army and Navy bases and camps and airfields. Already in this war Transite pipe has been under fire; there was a lot of it in Hickam Field, Hawaii—target of treacherous bombs on December 7. For all types of process lines in war plants the uses of Transite are endless.

WORLD FAMOUS RIDING CLOWN WITH COLE BROS. CIRCUS

"The greatest riding comic in all the world," is the concensus of press opinion throughout America, of Clarence Bruce, one of the featured members of the world renowned Reiffenach Troupe of bareback riding marvels with the Cole Brothers Combined Circus, coming to Palo Alto next Tuesday, Sept. 22, for afternoon and night performances at Embarcadero and Highway 101.

Bruce probably has a greater following than any other comedian in the sawdust rings, gained, no doubt, by the great entertainment value of his performances. From the time he enters the arena, until his sensational whirl-wind finish, there is nothing but action—clever acrobatic feats and original comedy, and finished equestrianism. It is not unusual for him to literally "stop the show."

Enumerable other equally prominent stars and features will be found on the lengthy 1942 program. Of these, probably the most outstanding is the new opening super-spectacle feature, "Sapa-Inca," in which great multitudes of people and animals participate. The production is said to be the biggest thing of its kind ever produced under canvas, and was rehearsed for weeks prior to its initial presentation. The story—a recent subject in Ripley's Believe It Or Not cartoon, was rewritten and staged by Harry Thomas, noted producer of indoor pageants. It features among other highlights, the silvery voice of Florence Tennyson, noted opera star, and a ballet of 60 beautiful native girls from Argentina and Chili. The spectacle, without question, is the most pretentious yet offered by Cole Brothers. It abounds in gorgeous costumes and trappings and amazing electrical effects. The costumes alone cost a small fortune.

Still other featured stars and displays this season include the Six Wallabies, acrobatic stars from Australia and their first appearance in America; the world famous Herbert Castle, tight-wire marvel; Senor Juan Lobo, Mexico's greatest cowboy champion; the Six Flying Thrillers, the Rich Sisters, and dozens upon dozens of others from among the 350 men and women arenic performers this year.

A new and enlarged horse show under a separate tent and at no extra charge, a big double-menagerie with its vast collection of wild jungle beasts, are additional featured highlights in store for circus patrons, not forgetting the billowing blue canvas of the gigantic big top, restyled for the assurance of identical lighting effects afternoon and night. The performances are scheduled to begin at 2 and 8 p.m.

Sheriff's Aide Quinlan Resigns

Leland Quinlan, Half Moon Bay, member of the county sheriff's force for more than 15 years, has resigned, it was announced by Sheriff James J. McGrath. The resignation was effective Sept. 1.

Succeeding Quinlan as Pescadero constable is Jay Steele, Pescadero resident, McGrath disclosed. Steel went on duty yesterday.

Quinlan attempted to enter the August primary election campaign as a candidate against McGrath, but failed to qualify.

McGrath announced the appointment of Paul Jensen of San Mateo as one of the new deputies provided in the 1942-43 county budget. Another appointment will be announced next week, the sheriff said.

S.F. Shipfitter Held In Attack Case

Joseph Gianquinto, 35, San Francisco shipfitter, was jailed at Redwood City this week on the charge that he was an accomplice of Burch Mesrobian in a brutal attack on a San Francisco housewife Aug. 23. Mesrobian, 29, a bartender, was jailed Aug. 29 and held in lieu of $5000 bail. Both men will be given preliminary hearing Sept. 23.

Victim of the asserted attack was Mrs. Floye Cantisano of San Francisco. Mesrobian, Gianquinto and an unidentified third party took her to a lonely spot on Bayshore Hwy. near the San Francisco boundary and attacked her, she charged.

Gianquinto's arrest was made in San Francisco by Dep. Sheriff Frank Marlowe.

Telephone Lines Are the Busiest In History

You Can Help Us to Help You

We want you to know that we are meeting the war emergency with everything we have, but in these critical times delays are bound to occur.

In speeding Victory, the telephone lines are busier—far busier than ever before. We cannot plan and build new lines and new switchboards, as we normally would, because copper and other strategic materials have gone to war in planes, tanks, and guns.

Unnecessary and needlessly long telephone calls should be out for "the duration." War calls *must* be given the green light.

Your considerate thoughtfulness in making only the most urgent calls is inspiring to all of us who are earnestly endeavoring to uphold the finest traditions of telephone service. May we also ask you to help us further to help you by being brief on all calls, by calling by number when making long distance calls, and by answering calls promptly.

Thank you.

COME IN and ENJOY the Dim-out!

There is no dim-out of spirit in California homes today. Streets may be darkened, lights screened or shielded — but doorbells jingle and friends and neighbors meet in wholesome, homey recreation.

Let's drop in like an invisible visitor and see what is going on in a neighborhood somewhere in California.

Mrs. Jones is having a cookie bake. It's her turn to have the neighbors in.

At the Smiths' the neighbors are practicing first aid. Mr. Smith, as host, is tied to the piano in a traction splint.

Dr. Brown just reviewed a book on France Today. The discussion is hotter than the coffee being served.

There is an old-fashioned knitting bee at Grandma Potter's. The men are in the kitchen fixing sandwiches.

It is a fine thing — this recreation in the home. Friendships are knitting closer. Nervous tension relaxes. Minds are more alert for the work of tomorrow. It will be work in quickened tempo that will hasten VICTORY.

Is your home ready and looking its best with good light? Replace burned-out or blackened bulbs now. Add a lamp beside a chair or davenport where it is needed.

Cheerful light and wholesome recreation are vital today.

SAFEWAY Homemakers' Guide

★ *Some grand ideas on preparing Fall produce*

★ *Safeway offers low advertised week-end prices*

Tuesday thru Saturday ★ *A lesson on having fun*

A new Safeway policy that saves you time, trouble and money

Safeway ads now run in your daily newspapers early in the week and Safeway's low advertised prices are now effective from Tuesday up to and including Saturday. This means you can get your big order early in the week when there are no crowds and still be able to take advantage of Safeway's low advertised prices.

Here are some wonderful ways to prepare Fall fruits and vegetables

They come from the Safeway Homemakers' Bureau and every one has been tested and proved in the Bureau's kitchens.

APPLES. Want a different kind of applesauce? Pour 3 cups unsweetened sauce into a well greased 1½ qt. casserole. Combine 1 cup finely rolled graham cracker crumbs, ½ cup sugar, ½ tsp. cinnamon, and ¾ cup finely chopped walnut meats. Sprinkle crumb mixture over applesauce. Bake in moderate oven (375° F.) 20 minutes, or until crumb mixture is brown and crisp. Serve hot or cold with whipped or pour cream. Serves 6.

GRAPES. To vary familiar desserts, fold seedless grapes or halves of seeded table grapes into cooled blanc mange, custard, gelatin whip or rice pudding for unexpected crispness.

PEARS. If you like baked apples you'll vote for baked pears, too. Wash 6 pears. Leave whole; do not pare or core. Make syrup by combining 1 cup sugar, ¾ cup water, and 2 tbsps. lemon juice in saucepan; stir well until completely blended; boil rapidly 5 minutes. Or substitute 1¼ cups maple-flavored syrup for sugar syrup. Place pears in baking dish; pour syrup on top; cover dish. Bake in moderate oven (350° F.) until almost tender, about 30 minutes. Remove cover; increase heat to 450° F. and bake 10 minutes longer, basting frequently to glaze. Serve warm or chilled. Serves 6.

SQUASH, PUMPKIN, AND SWEET POTATOES. These vegetables are closely related and each may be used for the same type of recipes—baked, in puddings, pies, cookies, custards, and the like. Squash makes unusually delicious custard. Mix ½ cup firmly packed brown sugar, ½ tsp. salt, ½ tsp. ground cloves, ½ tsp. ginger, ½ tsp. nutmeg, and ½ tsp. cinnamon. Beat 2 eggs slightly. Add 1½ cups milk and 1 tsp. grated orange peel; add to sugar-spice mixture, blending well. Add 1 cup sieved steamed Hubbard squash; stir until combined and free from lumps. Pour into individual custard cups; sprinkle with nutmeg or cinnamon. Set in pan of hot water; bake in slow oven (325° F.) 1 hour, or until set. Cool and serve plain or with whipped cream or maple-flavored syrup. Serves 6.

EGGPLANT. Ways to prepare this gourmet's vegetable are many, but shallow-frying is easy and the results are delicious. Wash eggplant, cut in 1-inch slices, and roll at once in well-seasoned flour or corn meal. Fry slowly in hot cooking oil or melted shortening in heavy frying pan, turning until brown. Drain and serve very hot.
